

Falcon JOAD Tournament  
January 27, 2007

Thank you to all the clubs who participated in our tournament. We had approximately 81 archers participate (40 compound and 41 recurve). Unfortunately, we had to correct a few mistakes in addition on the scoresheets. Several of these errors would have affected the top three finishers.

Congratulations to the following archers for jumping class at this tournament:

***Meg Heller** (compound) jumped from Jr. Bowman to Bowman*  
***Megan Lohner** (compound) jumped from Jr. Archer to Archer*  
***Kansas Michaels** (compound) jumped from Jr. Archer to Archer*  
***Clayton Gregord** (compound) jumped from Archer to Master*  
***John Welch** (compound) jumped from Master to Expert*  
***Jeremy Montcerisier** (recurve) jumped from Bowman to Jr. Archer*  
***Danny Kolesar** (recurve) jumped from Jr. Bowman to Bowman*

Congratulations also to ***Zach Plannick*** for shooting the tournament high score for a compound shooter of 572 and to ***Glen Thomas*** for shooting the tournament high score for a recurve shooter of 556.
